

VOODOO VATOR

STYLE: DOPPLEBOCK

COLOR: BLACK

ABV: 8% IBU: 25

DESCRIPTION: VooDoo Vator Doppelbock tempers the sweetness of caramel malt with the crisp, more nutty flavor of Munich malt. Despite the depth of color, burnt flavors are not present. Traditional extended lagering makes the VooDoo Vator deceptively smooth though high in alcohol. Be warned.

AVAILABLE: January - March; August - September
